Potentate's Message

Nobles and Ladies,

There are not enough words to express how great the beginning of this year has been. Open House had a good size crowd of about 200, even with the nasty weather we were having. Everyone only had good things to say about the decorations, meal, and how the evening went. In Jan, we had another success with the Cash Party, all tickets were sold and Morehead Shrine Club prepared a great meal for us. Our Feb. fundraiser was the Frog Party. We had a record crowd of 442 who came through the door. The last Temple activity before printing was the Spring Ceremonial. This year at the Fez Presentation several took the floor to talk to the new members introducing our different Clubs and Units that make our Temple the success that it is. We have a lot of fun things coming up that I hope each and every one will be a part of.

The Trustees and others have been working very hard as they continue to make needed repairs to our building. Your support of the 50/50 tickets and other Temple activities have and will allow us to continue these repairs. Don't forget Bingo every Wed. night. Bingo is the lifeline of our Temple and takes many workers to keep it going.

El Hasa's continued success depends on how well we advertise our events. the official website of El Hasa at www.elhasa.org webmaster, Jack McClelland, PP., has done a great job of posting information regarding El Hasa and the activities for 2011. If you have anything that members or the public needs to know, please send the information to him. Also by searching Facebook, under El Hasa Shriners, information, pictures and coming events are posted. By clicking on the event you can read more information. Thanks again for everything that you do for your Club, Unit, and our Temple.

Yours in the Faith,

Rodger "Ike" Raybourn

Message from our First Lady:

Last fall, I put out a request for help to re-supply some of the kitchen items and utensils. Thanks to many of you, we can now go into the kitchen and find what we need to work with. The towels have all been cut and sewn into hand towels. Remember even "thread bare", towels are something that will always be in demand. Feel free to donate towels anytime. I was so pleased that so many have turned out for decorating and attending events. I know your interest and enthusiasm for El Hasa and 2011 will continue throughout the year. Remember to buy your Tea Party tickets and attend the Antique Show, along with the other events coming up.

Sincerely,
Becky

News From Clan #1

Outhouse #5

What's that Hillbilly saying? "A bundle of twigs is a lot stronger than one stick". That's what the Carter and Rowan County Hillbilly Units are using as their motto. Recently the two joined forces in order to turn a stick into a powerful tree. Together we are over 50 active members strong. These Hillbillies are not going to let rising gas prices effect the transportation fund if they can help it. Big plans are ahead for El Hasa's Clan #1 Outhouse #5. We meet the second Monday of each month, alternating sites between Morehead Shine Club and Carter County Shrine Club. April meeting will be at Morehead. The Guys and Gals prepare vittals before we tend to business. Need to know what food to bring contact Sara Gray at 606-407-5613. We encourage every Hillbilly from these parts to attend and help us grow strong. For more information regarding Outhouse #5 contact Blaine Webb at 606-369-0894.

Ill. Sir Ike and Lady Becky

would like to invite you to

The 2011 Tropical Blast

The theme is set; we are having a Luau that you will never forget. We will be watching for you on Saturday, June 18th as we transform El Hasa into a Tropical Paradise. Please dress- up Hawaiian, for a night that will be a Tropical Blast. We hope you can make it as the lights will come on at 5 o'clock and we will dance and party until the clock strikes midnight. Remember that you need to get your \$25.00 per person reservation in early. Make sure that you have a confirmation in hand as you embark for the evening, as the Isle of El Hasa is very small and seating will have to hold us all. Come hungry this day, for the Island Natives will be serving up many of the known delicacies of another Island far away. If you have a confirmation for the Tropical Blast in hand we will be feasting Friday evening beginning at 6 p.m., under the shelter on the Isle of El Hasa. If Friday is the only evening you can attend \$5.00 for adults and \$2.00 for children will get you in. So make sure you cut this off and hurry to send it in.
