Potentate's Message

Dear Nobles,

This will be my last article for the Camel Talk for 2011. I would like to thank Illustrious Sir Jack McClelland PP., for doing a great job putting each publication of the Camel Talk together. Since our last meeting we have traveled to Denver for the Imperial Session which everyone seemed to enjoy, and some attended the Divan Seminar in Lexington.

July's Motorcycle Giveaway was a big success and the crowd attending was tremendous. Our Poker Run in August also went great considering the weather. A big thanks goes out to everyone who came out to these events both in attendance and the workers. Without you-events like this could not be pulled off with this magnitude of success. We have seen this continued support throughout the year.

In closing I would just like to say that I have enjoyed serving as your Potentate. Lady Becky and I cannot thank the Nobles and Ladies of El Hasa enough for all your support this year. People like you have made 2011 very special for us. Throughout the years you have given us the opportunity to make friends with many, not only here at El Hasa, but throughout Shrimdom.

Watch your calendars as we have many activities before 2011 comes to an end. I ask for your continued interest and support and that you continue supporting our Temple, our Hospitals, and our Shrine Kids. Again I need to say, Thank You for Everything.

Yours in the Faith,

Illustrious Sir

Rodger "Ike" Refoun

A Note from our Chief Rabban

Nobles,

I wanted to let everyone know that Richard "BIG" Thompson our Oriental Guide was the winner of our quarterly 50/50 drawing. He received \$1512.00 for his share of the pot. This amount was down from the drawing in June but was still a nice amount to take home. We were hoping the drawing amount would increase but I know summer vacations take some extra cash out of our pockets. Hopefully more of us will be able to contribute to this for our next drawing in December.

I am working on the calendar for 2012. I am requesting information from the Clubs and Units as quickly as possible in order to have a complete calendar by the Open House next year. I will be sending a letter to the Officers of each Club and Unit requesting this information so please help me on this matter. We want to thank everyone for participating in the 50/50 drawing and ask for your continued participation.

Fraternally

Joe McSweeney
Chief Rabban

Appointments Are For One Year Only

For the information of uniformed members of Nobility, when a Potentate's term of office expires, all appointments made by him during his administration terminate according to Imperial Code.

Such appointments include all appointed officers, Potentate's Aides, Ambassadors, members of Committees and their chairmen. Special appointees, Directors, and all other members of the Potentate's Staff.

Some Nobles have mistakenly believed or assumed their appointment to be permanent. Not so! Each Potentate, when installed in office must make his own appointments including 1st and 2nd Ceremonial Masters.

The Potentate has the power and authority under Imperial Shrine Law to replace every appointee; or he may, if he believes it to be in the best interest of the Temple retain all appointees by reappointment.

Traditionally, for the sake of efficiency, many Nobles of demonstrated ability are continued in office or appointment by reappointment. But this is at the will and pleasure of the incoming Potentate.

In no case is he, or can he be bound by his predecessor. By the same token in no case can any Potentate bind his successor.

Courtesy requires that a Noble holding an appointive office, position or assignment tender a his resignation to the incoming Potentate. If it is the will and pleasure of the incoming Potentate that the Noble continue in his office or position by reappointment he will be notified by the Potentate to that effect. Should any Noble not holding an appointment by the current Potentate wear a Fez carrying any title such as Ambassador, or any other designation he does so in violation of the Code.

Some Nobles seek to perpetuate an appointment fictitiously by adding to the lettering on the Fez the year or years of their appointment. This is a violation of Imperial Shrine Law. The offenders may be uniformed; but ignorance of the law is no excuse.
